"A Heart For Revival In The Heart Of America"

A Super Year! 2017 off to a great start

February 9, 2017

Thank you so much for praying for our family. We have just returned home from a busy traveling month of January. We started the year with a revival meeting in Grand Prairie, TX. God met with us in a great way, and I believe Pastor Tucker and their church are excited about what God is going to do in the days ahead.

After our second Sunday meeting in the Dallas area, we were driving from the church back to the missions house where we were staying, and we were caught in the middle of tornado weather. Driving through a torrential downpour and watching large debris blow across the highway, we decided to take shelter under a bridge with several other cars. A local officer ran up to us and told us to leave immediately, because a tornado had just touched down about one mile from us. Praise the Lord, we made it back safely to our destination. It was a great opportunity to teach our kids the importance of prayer and faith in God.

At the end of January, Abby and I were able to spend a week together on a vacation celebrating our wedding anniversary. We had a great time together, and we are very thankful for the marriage we have. God sure has been good to us! We are home now for a couple weeks, and are looking forward to getting back on the road soon traveling to our Spring meetings. Thank you so much for your continued support and prayers.

Abby and I were able to see some amazing views on our get-away together.

Pastor Lewis and Solon Road Baptist Church were a great encouragement to our family when we were there.
